Dear Mr. Faizal Taib,

This letter confirms that Chronosys Integrator Sdn Bhd has been appointed a **Certified Partner** and is recommended for the supply, installation, service and support of Synectic Systems products and services.

This agreement is in place for 12 months from the date of this letter.

Certified Partners maintain trained engineers who have successfully delivered Synectics solutions and have direct access to partner support.

Certified Partners are also qualified to support the deployment of custom integrations and developments.

Yours faithfully,

Darren Alder
